

Dear Dr. Steve,

On behalf of the student body at Iona College, I want to send you a great big THANK YOU for another excellent show!!! As always, I have received great feedback from our students. It was a packed show and our freshman class had a blast, thanks to you, on their second night at Iona. Thank you for helping us welcome them to student life on our campus. This was the best attendance we have ever had at an event!

Thank you very much, and I look forward to working with you again in the future!

Jessica Dunbar

Director of Student Activities

Iona College
